

Crosswind Friend,

On Behalf of the Crosswind Elementary PTA, we invite you to partner with us for our 25th annual *Turkey Trot* fundraiser, scheduled to be held on Friday, October 25, 2019.

Crosswind PTA is a volunteer based non-profit 501(c) (3) with Federal Tax ID #62-1532296 that offers needed support for Crosswind Elementary.

Turkey Trot is an annual event that raises money for enrichment programs and technology upgrades while promoting student fitness. This year, the PTA is very committed to updating and upgrading certain items for the classroom.

Prize incentives are offered as motivators to students who obtain pledges by raising money leading up to the 30 minute "trot" around our 1/8-mile course. Grand prizes are awarded to individual students and classes for the most laps completed and overall donations collected.

In order to successfully raise funds for our school, we rely on help from business sponsors like you to assist in underwriting the costs of producing this event. We believe *Turkey Trot* will offer a great venue for you, a local business to aid in building a better school and community for our students.

The attached sheet details the four levels of sponsorship form. I look forward to speaking with you soon and please feel free to contact me with any questions. Donations can be mailed, hand delivered or done online at our Crosswind PTA website. Also, for added convenience, please allow me to schedule a pickup time. We truly appreciate your time and consideration.

Sincerely,
Jayme Green
